

Rancho Santiago Adult Ed Consortium

Santa Ana County Jail Inmate Survey

Prepared by Lisa DiDonato, Researcher on 11/25/2014

The Rancho Santiago Adult Ed Consortium serves adult learners throughout their district. This includes those incarcerated at various correctional local facilities. In order to better serve this population, a survey of inmates was conducted from September 29th, 2014 through October 3rd, 2014 at the Santa Ana County jail. The survey was provided to inmates in paper format with both English and Spanish versions.

Summary Results

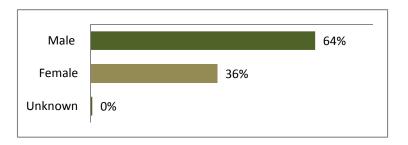

- More men than women completed the survey.
- The age of women completing the survey were on average 2 years old than the men.
- 92% of the respondents reported being born in the USA.
- 83% of those born in the USA were born in California.
- Santa Ana, Orange and Anaheim were the most frequently cited birth cities of the California respondents.
- 97% of the respondents reported that their primary language was either English (81%) or Spanish (16%).
- 53% of the respondents reported completing 12th grade or higher.
- Earning a GED was the most cited educational goal by respondents, 105 or 28% selected this goal.
- A greater percentage of men were willing to devote 20 or more hours to classes while in jail than the women.
- 89% of the inmates reported planning to take classes once they are released from jail.
- Work and transportation issues were reported by the majority of inmates as obstacles to achieving their educational goals.
- 54% of the men reported working 40 or more hours per week before being incarcerated.
- Only 35% of all respondents reported having a job waiting for them after they are released from jail.
